Roads

The roads shown on this map are based on San Juan County's Travel Plan. Some of the roads included in the County's travel plan are not included in the current travel plans of the managing federal agencies - Forest Service, Bureau of Land Management or National Park Service. The San Juan County Lands Council did not address roads in their alternatives and the roads shown on this map are not part of the Lands Council's Alternative A, B or C. However, please feel free to comment on any road issues.
