Coordinate Details
(Blanding)

STATION NAME: SJC 20 ***USER NAME: BUG POINT***

Coordinate System: U.S. State Plane 1983 Coordinate Units: Meters

Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet

Project Zone: Utah South 4303 Geoid Model: Geoid03 (Conus)

NORTHING: 3103015.846

EASTING: 712172.683

ELEVATION: 6183.374

Coordinate System: UTM Coordinate Units: Meters

Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet

Project Zone: 12 North Geoid Model: Geoid03 (Conus)

NORTHING: 4159843.804

EASTING: 667974.435

ELEVATION: 6183.374

Coordinate System: Geodetic Lat/Long/Ht. Coordinate Units: U.S. Survey Feet

Project Datum: NAD 1983 (Conus) Height Units: U.S. Survey Feet

Project Zone: Geoid Model: Geoid03 (Conus)

LATITUDE: 37° 34' 13.16941" N

LONGITUDE: 109° 05' 52.54242" W

HEIGHT: 6118.249

San Juan County Survey Office Disclaimer

This GPS information was prepared by the San Juan County Survey Office. Neither San Juan County, nor its employees, makes any warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information. Errors in baseline values and absolute positions are known to exist and uncertainty is indicated where known. The absence of such uncertainty does not indicate that the data is free from error. The act of distribution shall not constitute any such warranty, and no responsibility is assumed by San Juan County in the use of this data or related materials.
