                      Kelly Pehrson, CAO

Others Present: Marilyn Boynton, Nick Sandberg, Greg Adams, Blaine Nebeker, Mike Boyd, Jared Barrett, Susan DeLorme, Jerry McNeely, Monte Wells, Tim Chamberlain

### 9:00 AM: Work Session

- Blaine Nebeker - discussed the current noxious weed problem and requested permission to form a separate weed board which would hopefully find solutions for resolving issues with those not abiding by the current noxious weed laws.
- Mike Boyd of Greenbriar Capital Corp. - presented a powerpoint on development of Blue Mountain Wind Park and discussed the possibility of property tax relief.
- Jared Barrett - requested permission from the county to remove tamarisk and clear the road at Comb Wash for access to San Juan River for his business excursions and also discussed the federal concessionaire restrictions.
- Susan DeLorme - turned in a revision for Victim's Advocate contract, specifying what the county provides.
- Kelly Pehrson - requested approval of building permits and approval for the \$30,000. required by county for the \$100,000. Bear Grant for Economic Development.
- Bruce Adams - reported on the UAC board meeting he attended and discussed the replacement for Brent Gardner was narrowed down to eight applicants.
- Phil Lyman - discussed county road access through Billy Gaines property and said his visit with Billy was positive. Also discussed what it will take to create our own health district and mentioned his discussion with Tom Welch about the Recapture ride.
- Tim Chamberlin - reported on his trip and activities with his joint USU/SJC position.
- Jerry McNeely - volunteered to represent San Juan County at water meeting.

Meeting adjourned at 11:32 a.m.
