Coordinate Details
(La Sal)*

STATION NAME: M 20

USER NAME: LA SAL JUNCTION

Coordinate System: **U.S. State Plane 1983** Coordinate Units: Meters
Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet
Project Zone: Utah South 4303 Geoid Model: Geoid99 (Conus)

NORTHING: 3187368.712

EASTING: 680866.309

ELEVATION: 5749.380

Coordinate System: **UTM** Coordinate Units: Meters
Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet
Project Zone: 12 North Geoid Model: Geoid99 (Conus)

NORTHING: 4244354.332

EASTING: 637116.000

ELEVATION: 5749.380

Coordinate System: **Geodetic Lat/Long/Ht.** Coordinate Units: U.S. Survey Feet
Project Datum: NAD 1983 (Conus) Height Units: U.S. Survey Feet
Project Zone: Geoid Model: Geoid99 (Conus)

LATITUDE: 38° 20' 12.64128" N

LONGITUDE: 109° 25' 51.99201" W

HEIGHT: 5686.708

San Juan County Survey Office Disclaimer

This GPS information was prepared by the San Juan County Survey Office. Neither San Juan County, nor its employees, makes any warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information. Errors in baseline values and absolute positions are known to exist and uncertainty is indicated where known. The absence of such uncertainty does not indicate that the data is free from error. The act of distribution shall not constitute any such warranty, and no responsibility is assumed by San Juan County in the use of this data or related materials.
