Countywide Network Control
Coordinate Details
(La Sal)*

STATION NAME: SJC 4

USER NAME: CASA COLORADO

Coordinate System: **U.S. State Plane 1983** Coordinate Units: Meters
Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet
Project Zone: Utah South 4303 Geoid Model: Geoid99 (Conus)

NORTHING: 3170638.821

EASTING: 692896.880

ELEVATION: 6199.381

Coordinate System: **UTM** Coordinate Units: Meters
Project Datum: NAD 1983 (Conus) Elevation Units: U.S. Survey Feet
Project Zone: 12 North Geoid Model: Geoid99 (Conus)

NORTHING: 4227564.865

EASTING: 649058.534

ELEVATION: 6199.381

Coordinate System: **Geodetic Lat/Long/Ht.** Coordinate Units: U.S. Survey Feet
Project Datum: NAD 1983 (Conus) Height Units: U.S. Survey Feet
Project Zone: Geoid Model: Geoid99 (Conus)

LATITUDE: 38° 11' 01.28185" N

LONGITUDE: 109° 17' 52.97409" W

HEIGHT: 6137.620

San Juan County Survey Office Disclaimer

This GPS information was prepared by the San Juan County Survey Office. Neither San Juan County, nor its employees, makes any warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information. Errors in baseline values and absolute positions are known to exist and uncertainty is indicated where known. The absence of such uncertainty does not indicate that the data is free from error. The act of distribution shall not constitute any such warranty, and no responsibility is assumed by San Juan County in the use of this data or related materials
