Coordinate Details
(Monticello)*

STATION NAME: SHABLO

USER NAME: STATE LINE EAST

Coordinate System: U.S. State Plane 1983	Coordinate Units: Meters
Project Datum: NAD 1983 (Conus)	Elevation Units: U.S. Survey Feet
Project Zone: Utah South 4303	Geoid Model: Geoid99 (Conus)

NORTHING: 3130416.401

EASTING: 716412.034

ELEVATION: 6682.034

Coordinate System: UTM	Coordinate Units: Meters
Project Datum: NAD 1983 (Conus)	Elevation Units: U.S. Survey Feet
Project Zone: 12 North	Geoid Model: Geoid99 (Conus)

NORTHING: 4187221.231

EASTING: 672361.256

ELEVATION: 6682.034

Coordinate System: Geodetic Lat/Long/Ht.	Coordinate Units: U.S. Survey Feet
Project Datum: NAD 1983 (Conus)	Height Units: U.S. Survey Feet
Project Zone:	Geoid Model: Geoid99 (Conus)

LATITUDE: 37° 48' 58.07915" N

LONGITUDE: 109° 02' 30.49011" W

HEIGHT: 6619.333

San Juan County Survey Office Disclaimer

This GPS information was prepared by the San Juan County Survey Office. Neither San Juan County, nor its employees, makes any warranty, expressed or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information. Errors in baseline values and absolute positions are known to exist and uncertainty is indicated where known. The absence of such uncertainty does not indicate that the data is free from error. The act of distribution shall not constitute any such warranty, and no responsibility is assumed by San Juan County in the use of this data or related materials.
