

San Juan County Utah Daily Information Report

Coronavirus (COVID-19)
April 8, 2020

Stay Safe. Stay Home. Save Lives.

San Juan County residents the next two weeks are critical to help slow the spread of COVID-19. We need everyone to help and do their part even if that means staying at home.

Please practice Social Distancing as best as you can. The longer we delay social distancing the longer we are stuck practicing social distancing.

Until further notice the County Administration Building and Public Safety Building will be locked to the public and by appointment only for all offices. County personnel will still be available to assist the public but you must call and make an appointment first. Please use the following numbers to contact the department you are looking for

Assessor's office, Building Department or DMV – 435-587-3221

Administration, Aging, Commission, Emergency Management, EMS, Fire, Public Lands, and Personnel – 435-587-3225

Clerk's Office and Information Technology – 435-587-3223

USU Extension – 435-587-3239

Recorder's Office – 435-587-3228

Surveyor – 435-587-3234

Economic Development / Visitors Services – 435-587-3235

Treasurer – 435-587-3237

Sheriff's Office – 435-587-2237

SJC Attorney – 435-587-2128

Justice Court – 435-587-2544

7th District Court 435-587-2122

Be aware of people trying to take advantage of the crisis we are in. There have been reports in other counties of people impersonating local public health departments calling random people and telling them they have been exposed to the virus.

Also at this time the rumor about students needing to repeat the entire school year is just that a rumor.

Any Non- Resident that is thinking of traveling to San Juan County for recreation purposes-camping, hunting, national and state park visits, etc., please stay home this is a violation of the current public health order. Please follow the President's advice and our Governor's advice. Avoid unnecessary travel right now. Avoid leisure travel right now. Let's all wait this out together, and we encourage you to come visit us when this is over.

Public Health: As of today 4/8/2020, San Juan County has a total of 6 residents who have tested positive for COVID-19. All of these cases (6) are near the southern most region of the county near the Utah/Arizona border (Navajo Nation). Known cases in the county will be updated daily at <https://coronavirus.utah.gov/case-counts/> In the future, this is where we will officially update cases for San Juan County.

As the number of affected communities in the county change, we will issue updates to address those changes, but we will not be issuing updates on individual cases.

We want to remind SJC residents and non-residents about our governor's "Stay Safe, Stay Home" Utah directive with emphasis on hunting, that all recreational travel by non-residents of San Juan County is prohibited.

All individuals

1. Stay at home as much as possible
2. Work from home whenever possible
3. Encourage socializing by phone and video chats.
4. Self-quarantine for 14 days after traveling or being exposed to an individual presenting symptoms of illness consistent with COVID-19.
5. Engage in appropriate social distancing, including:
 - a. Maintaining a 6-foot distance at all times from other individuals when in public
 - b. Not shaking hands with other individuals
 - c. Not visiting friends or family without urgent need
 - d. Not attending any gathering of any number of people, except for members of the same household or residence.
 - e. Follow Strict Hygiene Standards
6. Discretionary travel for shopping should be avoided. This includes non-essential unnecessary shopping trips such as "pop runs" "cigarette runs", "beer runs", etc. but combine needs and perform minimal shopping trips.

Time Spent Outside - Sunlight and fresh air are beneficial to everyone.

1. Maintain a distance of at least 6 feet away from another person at all times while outside
2. Exercise outside while maintaining 6-foot distance from another person and without touching common areas
3. Do not congregate at trailheads and other outdoor spaces
4. Do not travel to or participate in activities at any of the following locations
 - a. Places of public amusement or public activity, parks
 - b. Public swimming pools, or
 - c. Gyms, and fitness centers.

Travel

1. Limit travel only to essential travel
2. Essential travel means to travel to:
 - a. Safely relocate by an individual whose home or residence is unsafe including individuals who have suffered or are at risk of domestic violence or for whom the safety, sanitation or essential operations of the home or residence can not be maintained.
 - b. Care for a family member or friend in the same household or another household, including transporting family members or friends.
 - c. Transport a child according to existing parenting time schedules or other visitations schedules pertaining to a child in need of protective services,
 - d. Care for pets or livestock, including travel to a veterinarian
 - e. Seek emergency services
 - f. Obtain medications and medicals services
 - g. Donate blood
 - h. Obtain food, including delivery or carry-out services, beverages (alcoholic and non-alcoholic), and other grocery items, gasoline, supplies required to work from home, and products needed to maintain the safety, sanitation, and essential operations of homes and residences, business and personally owned vehicles, including automobiles and bicycles. As ordered by the Governor, discretionary travel for shopping should be avoided. This includes non-essential unnecessary shopping trips such as "pop runs," "cigarette runs", "beer runs", etc. but combine needs and perform minimal shopping trips.
 - i. Perform work if you cannot telework
 - j. Engage in recreational and outdoor activities
 - k. Laundromats and dry cleaners, and

I. Return to a home or place of residence.

Recreation and Outdoor Activities and Parks

- Remain at least 6 feet apart from individuals from other households while engaging in outdoor activities (e.g., walking, hiking, running, biking, driving for pleasure, hunting or fishing).
- Do not congregate at trailheads, parks, or other outdoor spaces,
- Do not engage in close-contact or team sports
- Do not go to or engage in activities at a State Park located outside the County in which you reside.
- Canyonlands National Park in San Juan County is closed at this time.
- Edge of the Cedars & Goosenecks State Park are restricted to County residents only.
- For an update on public land closures and/or restrictions please

visit: <https://www.utahscanyoncountry.com/covid19-travel>

Due to the COVID-19 outbreak, San Juan Public Health is not allowing anyone into the office until further notice. If you have any questions or concerns pertaining to Vital Records or WIC please call us at 435-359-0038. We will try our best to help you while social distancing. Thank you for understanding!

Clinics:

UNHS: Currently UNHS is conducting its 'Parking Lot Triage' system. Our intent is to screen patients outside of the facility who are experiencing; coughing, shortness of breath, or have a fever. UNHS recommends the following guidelines when visiting our clinics. These follow CDC and Department of Health guidance.

If you suspect you have the coronavirus (cough, high fever, trouble breathing AND a potential history of exposure), please call and notify us in advance so we can take precautions and possibly triage, check you in, and treat you without you entering the facility. In the next few days, we will begin virtual iPad check-in and virtual conversations with doctors for suspected cases. You'll then be able to use the Pharmacy drive-thru. The intent is to have the entire visit done from your car or outside the clinic.

If you are sick, please do not accompany a healthy patient for your visit, and do not enter the facility except to seek care for yourself or someone you are responsible for. Please avoid our facilities if you are healthy, including the Market Cafe in Montezuma Creek. There will be no visitors allowed to patients who have confirmed or possibly have COVID-19. Wear a mask if you have a cough. Do not wear a mask if you feel healthy. Please wash your hands or use alcohol sanitizer before and after leaving a patient room, exam room, and the facility. UNHS (and all facilities) have a very limited number of tests. Your provider will determine whether or not a test is appropriate based on symptoms and travel history.

These guidelines are being put in place for the safety of you, our patients, caregivers, and community. Elderly are especially vulnerable. Teach them the latest information on social distancing and prevention. Here is a public service announcement explaining Covid-19, it's symptoms, and prevention in Navajo, have your grandparents listen to it.

Hospitals:

San Juan Health: San Juan Health is encouraging our patients to consider telehealth clinical visits using HIPAA compliant Microsoft Teams application when appropriate; please call to discuss this option and support the CDC's guidelines on social distancing. SJH has implemented a restricted visitor policy, as of Monday, March 16th. Dietary services to the general public have been halted until further notice. SJH has implemented an Emergency Department triage protocol to establish safe workflows and to mitigate the spread of any potential COVID-19 cases. San Juan Health's (SJH) Infection Control and Medical Staff will continue to closely monitor the ongoing Coronavirus Disease 2019 (COVID-19) outbreak and implement new protocols in a timely manner.

Blue Mountain Hospital: Blue Mountain Hospital has no confirmed cases of COVID-19. BMH personnel are prepared for the possibility of receiving COVID-19 patients. BMH has implemented a restricted visitor policy and has stopped serving

food to the public until further notice. A screening process has been implemented for the ER which keeps patients and staff safe. We are working with UNHS and are receiving the patients they have screened as needed. BMH is monitoring and adhering to CDC guidelines. Staff and patient safety continue to be the top priority. BMH will continue to monitor the situation as more information becomes available and take action as appropriate. Our employees are being screened daily as part of our efforts to keep our staff safe. 0 Confirmed cases.

EMS: During this time you will see EMS respond with an increase of respiratory protecting masks or other protective gear to ensure your safety as well as the safety of the EMT's Please do not be alarmed by this. The EMS department will continue to follow all recommendations of the Utah Department of Health, San Juan County Health Department and the CDC to ensure the safety of the people who rely on our EMS Services. To help follow the guidelines of social distancing we will be cancelling all CPR classes and will not be scheduling classes until we feel it is safe to do so. Please note that if San Juan EMS gets overwhelmed with multiple calls our response times may be slower than normal.

Law Enforcement: The San Juan County Sheriff's Office is concerned and working on two fronts in dealing with Covid-19. The first front is the effort to keep jail staff and inmates healthy. This includes our very important dispatchers. The San Juan County Jail has suspended all visitations to the jail; all volunteers have also had their visits to the jail terminated. The jail has a plan to have an area available for quarantine if needed. The county jail has a backup plan to feed the inmates if we lose jail cooks to quarantine. We have tele-health capabilities set up and working so that inmates can see a medical doctor without leaving the facility for initial doctor visits. The corrections officers have access to protective equipment.

The second front is the law enforcement and public safety efforts. The patrol deputies are responding to law enforcement incidents. They have safety equipment if needed. We have currently cancelled trainings, except for the cadets we have in POST academy classes and we have encouraged deputies to follow all safety guidelines.

We are not doing fingerprinting for the public at this time at the sheriff's office.

The lobby of the Public Safety Building is locked and closed to the public. If you need assistance from the Sheriff's Office, Justice Court, 7th District Court or San Juan County Attorney please use the number listed at the beginning of this document to schedule an appointment.

County: The San Juan County Administration building is closed to the public. You can schedule an appointment with the office you need by calling the numbers listed at the beginning of this document.

If you need to do Vehicle Registration we highly recommend utilizing online capabilities secure.utah.gov or by mail.

San Juan County Libraries remain closed at this time.

Visitor Services

Regular Updates: <https://www.utahscanyoncountry.com/covid19-travel>

1-800-574-4386

- State Parks remain open to the residents of the county in which the park is located. For San Juan County Residents that includes Goosenecks State Park and Edge of the Cedars State Park. For hours of operation, please visit the State Parks website. <https://stateparks.utah.gov/>
- New Glen Canyon NRA closures and updates (as of 4/6) for details please visit: <https://www.nps.gov/glca/planyourvisit/conditions.htm>
- Canyonlands National Park, Hovenweep National Monument, and Natural Bridges National Monument remain closed. For details please visit: <https://www.nps.gov/index.htm>

Cities:

Blanding: Currently, the Blanding Visitor Center, and Wellness Center are closed temporarily due to COVID-19. The Justice Court is open. The City Office is open the lobby is closed they are asking citizens to do what they can online or call into the office. City utilities are fully operational and we anticipate service delivery continuing uninterrupted. We will follow CDC and local and state health department recommendations in considering any future actions.

Bluff: Bluff's closure of non-essential businesses continues and the ordinance will be reviewed at the Bluff Town Council meeting on Tuesday, April 7, 2020. The K & C Convenience Store and Gas Station and the Laundromat remain open.

Monticello: The Monticello City Office is staffed but we are asking residents to use the drop box for payments and not to come into the building. The doors will remain locked and phone numbers will be posted on the door to allow residents to talk to city staff and conduct necessary business. City utilities are fully operational, and we anticipate service delivery continuing uninterrupted. The Welcome Center and Hideout Community Center are closed until further notice. The Golf opening scheduled for Monday, April 6 is under review and may be delayed. We continue to carefully monitor the situation and to follow all guidelines as issued by the CDC and State and County Departments of Health. It is our sincere desire that everyone takes all precautions and works together to assure their and everyone's health and safety.

School District: As many of you are aware, Governor Gary Herbert announced on March 23rd that all Utah public schools will extend their closures until May 1. San Juan School District has been, and will continue to comply with the Governor's Office, Utah State Board of Education (USBE) Center for Disease Control (CDC) and the Utah Department of Health, as we navigate evolving COVID-19 safety precautions.

As always, our priority is the safety of our students and staff. District & School Administration are working continuously to see that the needs of the students are met. Distance learning will continue through the extended dismissal. Food Services will still be providing grab and go meals via pickup locations or delivery (Bus Routes). We will continue to closely monitor all developments and take appropriate action.

San Juan County Aging Department: To go meals are still in place for the congregate meal and home delivered meals are still being delivered at this time. Clark's Market and Blue Mountain Foods have extended a special shopping hour every day for the seniors it is 7-8 am, San Juan Pharmacy and The Main Street Drug and Boutique are offering curbside pickup and free delivery in town for seniors. If you are a home bound senior and you are in need of groceries please contact your local senior center for assistance. La Sal 435-686-9990, Monticello 435-259-2656, Blanding 435-459-3179, Bluff 435-672-2390

Forest Service Information: Most of our campgrounds are still covered in snow but those that are not we are keeping closed to avoid congregating groups of people. Both Devils Canyon and Nizhoni Campgrounds are now accessible and we have closed them with gates and/or barriers and signs, with information on the closures.

Most of our trailheads and single toilets are also inaccessible due to snow, those that are accessible we have signed saying they are not regularly maintained and included information on reducing risks (i.e. hand washing, and social distancing). We may end up closing/locking these facilities but they are open for now as they do not congregate people like a developed campground does.

We have been advising the public that dispersed camping is prohibited (except to residents and essential visitors) on the Moab/Monticello Ranger District.
