John David also said that the winners of the election in San Juan County were Bernie Sanders from the Democratic Party and Donald Trump from the Republican Party.

He also explained that there were ballots that were rejected due to no signature, mismatch signature, being returned late, and other reasons such as voters voting at a polling location on election day.

He also explained that precinct 3 was located in the Montezuma Creek/Aneth area, precinct 8 was located mostly on the east side of hwy 191 south of Bluff and the west side of the Red Mesa road. John David also explained that precinct 10 was largely located in Bluff and on the west side of hwy 191 south of Bluff and that Mexican Hat, Monument Valley, Oljato, and Navajo Mountain were in precinct 11.
